

# TRAGEDY

Horatio Souza

As the wind falls to its knees  
 And prays  
 The clouds weep  
 While the stars moan  
 As the earth shivers  
 And the ocean screams  
 All the while, I  
 Rejoice  
 And laugh  
 A hearty laugh  
 HA HA HA HA HA  
 How it all unravels  
 So splendidly..  
 Shall we dance?
